## TERMS AND CONDITIONS OF SALE

**TERMS**—The terms of the sale are Cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the sale. All stock will be at buyer's risk as soon as bid off.

**GUARANTEE**—All cattle will be sold under the Standard Guarantee. The guarantee shall constitute a contract between consignor and buyer of each lot. Neither the auctioneer, sale manager, clerk of the sale, the consignors, the Fair Association, nor the Tennessee Shorthorn Breeders' Association assume any liability for accidents that may occur. All persons attending the sale do so at their own risk. The Sale Manager assumes no liability, legal or otherwise. Announcements from the auction box will take precedence over printed matter in the catalog.

**REGISTRATION**—A Certificate of Registry and a signed Transfer will be furnished for each animal sold and an Application for Registry will be furnished for each unborn calf sold in dam. All footnotes are furnished by the consignors or written from information supplied by them.

**INSURANCE**—Coverage may be secured effective at time of sale.

**HEALTH**—All cattle are tested for T.B. and Bang's within 30 days of the date of sale except officially Calfhood Vaccinated Animals and in these cases Vaccination Certificates will be delivered to the buyer at the time of the sale. Interstate Health Certificates will be furnished to out-of-state buyers. Cattle are sold to comply with Health Regulations of the State of Tennessee.

**SHIPPING**—Trucks will be available on the grounds.

**SALE HEADQUARTERS**—James Lawrence Motel, 2 miles North on U. S. 43, Lawrenceburg, Tennessee.

**LOCATION**—Lawrenceburg, Tennessee is located at the Junction of U. S. 43 and U. S. 64; 78 miles South-West of Nashville; 18 miles West of Pulaski; 16 miles from Tennessee-Alabama Line.

## STANDARD GUARANTEE

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.

5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bang's Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificate of Registry and Transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificate of Bang's Calthood Vaccination, and those that are not from Accredited Herds have passed a clean Tuberculin Test within the same period. Health Certificates will be provided with each lot sold.
